**MAYOR STOPPED WORK.**  
Would Not Have Brick Manhole Built Over Sewer Pipe.

Workmen who are building the conduit for the S. N. E. T. company, at the foot of Jillett hill, were forced to quit work Tuesday, when Mayor F. Dunn found that they were installing a brick manhole over a sewer pipe, near No. 5 mill of the American Thru company. Mayor Dunn maintained that if the manhole was to be built over the sewer pipe, it should be built of concrete and that another point must be found to put the manhole. The overseer of the workmen got into immediate communication with the engineer at New Haven and the matter was satisfactorily adjusted.

## YOUNG MEN'S STATEMENT.

Maurice Jordan and Timothy Wallen explain their part in Norwich Automobile Accident.

Maurice Jordan, son of W. P. Jordan, and Timothy Wallen, of the fire company, and Timothy Wallen, son of Mr. and Mrs. Kirk Wallen, of Walnut street, this city, have made a statement that they were the two Willimantic young men who were in the car from which Miss May O'Connor of Norwich jumped and was injured, Tuesday evening, as stated in Wednesday's Bulletin.

The young men state that they saw the two girls, Miss Kearns and Miss O'Connor, on Main street. The girls pulled the boys and asked them for

a ride. Wallen, who was driving the car, which belongs to W. P. Jordan, stopped the machine at the curb and after a little parley the girls got into the car. When the girls were asked where they wanted to go, they said "Home," and said they lived on the West Side. The boys, in a spirit of rivalry, replied that they had to turn around before they could go back and suggested "Westerly" or "Thread Mill" square, Willimantic, as a good place to ride before going back. The girls evidently thought they were in earnest, as the Kearns girl, who was on the back seat, said she was going to get out. She stood up, as if to make good her statement, but evidently thought better of it and sat down again. The O'Connor girl, however, jumped up and opened the door of the car and leaped out, without giving any warning whatsoever. Mrs. Welch tried to stop the car, but was unable to do so before Miss O'Connor had fallen. After the accident the young men rendered what assistance they could, before returning to this city.

The occupants of the car, including Mr. and Mrs. Hoffman and two children, and a guest from Storrs, were thrown from the machine, but escaped without serious injury. Dr. R. C. White, who was on his way to the Poque tournament in Norwich, witnessed the affair and rendered considerable assistance. The party was brought to this city in a jitney, which was hastily summoned. The car was damaged to a considerable extent, the windshield being broken and the top smashed in.

A trip to Watch Hill and Block Island is the goal for some; others are planning automobile trips and still others will attend the annual outing of the

Old Home Day Observed Wednesday  
Winners in Sports and Contests  
Annual Meeting of Association  
Financial Statement Presented.

It was decidedly cool when a good sized audience gathered in the tabernacle for morning worship at 8:15 Wednesday. Rev. A. H. Withee, of Moosup, was the speaker. His subject was "Promises and Worship." Prayers were offered by Rev. A. H. Withee, who then read the 93rd Psalm. He stated that there were promises for all classes, the simple, the sad, the joyous, saint and sinner, the pious and the pure, the lost and saved. The promises are necessary foundations for prayer and praise. The meeting was closed with singing of hymns and a benediction. The portions of the portions were given, it would seem that, should the Bible be destroyed, its most precious portions could be rewritten from verses memorized by hearts that have been cheered and strengthened by them through the years.

## Old Home Day.

The usual forenoon studies were held by the institute, but it being "Old Home Day" at the camp, the afternoon address was omitted and in its place, Prof. Natzger held an inspiring song service in the auditorium. Old-fashioned songs were sung.

Considerable preparation had been made by the committee of the league, Mrs. W. J. Stephens, Vernon, and Rev. H. E. Cassidy, of Glastonbury for games and sports to be participated in by women and men, boys and girls. A spot was selected on the grass in front of the restaurant building, and various sports were entered into with zest.

The entries for sports were as follows:—  
100 yard dash, men, H. C. Jeffers, R. H. Stearns, Edgar Brownell, Ernest W. Natzger.  
50 yard dash, boys, Edgar Brownell, Monroe Blake, Addison Perkins, Kingsley Luce; girls, 50 yard dash, Elizabeth Buzzell, Rose Wikie, Gertrude Jackson, Edith Bralley, C. Jeffers, R. H. Stearns, E. W. Natzger; potato race,

## GO NO FARTHER

The Evidence Is At Your Door.

Norwich proof is what you want and the statement of this highly respected resident will banish all doubt:  
Eugene Sweet, Norwich, says: "I was confined to my bed as the result of an attack of lumbago. I suffered from sharp pains across my loins and was greatly annoyed by too frequent passages of the kidney secretions. I consulted the best doctors in Providence, but their treatment failed to help me in the least. I finally read about Doan's Kidney Pills and as I was badly in need of something that would help me, I began using them. Improvement was soon noticeable and I continued using this remedy until the trouble disappeared. Others of my family have taken Doan's Kidney Pills for kidney complaint and have been cured. I confirm all I have ever said in praise of Doan's Kidney Pills."

The introduction of these innocent games and sports was a very pleasing feature of institute week. The weather was beautiful and the temperature cool. A large number witnessed the games.

**Tuesday Evening's Service.**  
Another of the institute teachers was the evening preacher, Tuesday, Rev. Ralph W. Flewelling, Psalm 129 was the text. "The Unscathed Love."

The presence of the loving God is the joy of heaven. Only in heaven can we progress without the hindrance of hate and malice. On earth love meets many crosses. Hate is the great separator, only love can unite. We cannot escape hate. Now is the time to make our heaven by responding to God. At the close of this brief, but impressive sermon, Mr. Natzger sang "The Valley of the Shadow." Owing to the decided drop in the temperature, the meeting was held in the tabernacle, which was well filled.
